- ★ **Care for Soldiers and Families**
- ★ **Forge Partnerships**
- ★ **Preserve the All Volunteer Force**

Mission

5. Army Forces Command trains, mobilizes, deploys, sustains, transforms and reconstitutes conventional forces, providing relevant and ready combat power to Combatant Commanders worldwide in defense of the Nation at home and abroad.

Commander's Intent

Prepare, sustain, reset and transform conventional land forces to support Combatant Commanders' requirements. Achieve modularity to enable the expeditionary Army. Implement ARFORGEN as a process of systems to continuously synchronize resources to requirements. Execute force integration actions to grow, organize, and station the force. Operationalize the RC to achieve balanced contributions from all components. Integrate select future force capabilities to enhance the warfighting capabilities of the current force. Adapt command and control relationships to enable force generation and to assure the consistent execution of Title 10 functions. Ensure the well-being of our Soldiers and their Families in order to preserve the all volunteer force. We will focus on leadership, resource relationships, effort in total force utilization, and continuous improvement on eight joint areas: dependence
